By signing below, Permittee (Owner, Developer, Contractor or Agent) does hereby certify that the above information is correct and accurate. Permittee shall protect, indemnify, and hold harmless the City of St. Charles from any loss, damage, liability, and expense for all injuries, including death to persons or damage to property directly or indirectly arising or growing out of the performance of the work described above. Permittee shall hold the City of St. Charles harmless from and shall answer and defend any action instituted against the City of St. Charles for any loss, damage, or injury sustained by any person from the performance of the work described above. The Permittee also consents to allowing access and inspection of the work by City employees.

Signature of Authorized Agent: Date:

Title:

City Code Sections §510.220-510.260 covers storm water permits.

Owner/Contractor is to notify the Public Works Dept. at (636) 949-3237 twenty four (24) hours prior to any work. Any offsite work in easement or right-of-way must be coordinated through the Public Works Department and notification of the adjacent property owners must be made at least 48 hours prior to any work commencing. Failure to notify the City may result in rejection of the work and non-acceptance of the improvements. All work is to conform to the City’s Construction Specifications (MSD Standard Construction Specifications by adoption).

This permit must be on the job site at all times and will expire in 60 days unless noted otherwise.
